Association of Sedentary Behavior and Physical Activity With Hyperuricemia and Sex Differences: Results From the China Multi-Ethnic Cohort Study

Rudan Hong, Juan Huang, Chuanzhi Xu, Xuehui Zhang, Fei Mi, Fang Xu, Yanjiao Wang, Yuemei Feng, and Jianzhong Yin

J Rheumatol 2022; doi: 10.3899/jrheum.211180

In the article footnotes, the academic degree for author Jianzhong Yin should be MSc. We apologize for this error.
